College of Agricultural Sciences and Natural Resources Online Courses

Course # Course Title

Course #	Course ritte
AECN/NRES 883	Ecological Economics
AECN 896	Strategic Issues in ABUS
AECN 896	Special Topics: Grant Writing
AECN 896	Special Topics: Internship/Practicum
AECN 896	Special Topics: Org for Community Change
AECN 896A	Special Topics: Community & Regional Econ
AECN 896B	Special Topics: Building Native Comm & Econ
AECN 896D	Special Topics: Intro to Native Comm Development
AECN 896D	Special Topics: Creative Component
AECN 896E	Special Topics: Tribal Colleges in Econ Dev
AECN 896J	Special Topics: Community Analysis
AECN 896K	Orientation: Community Development
AECN 896L	Principles of Community Development I
AECN 896M	Special Topics
AECN 896N	Community and Natural Resource Managment
AECN 896P	Community Development II
AECN 896Q	Community: Impact Analysis
AECN 896Q	Special Topics: Eval of Organizations & Program
AECN 896R	Community: Cost-Benefit Analysis
AECN 896T	Local Community Economic Analysis
AECN 896T	Special Topics: Immigrants in Communities
AECN 896U	Special Topics: Not-for-profit Management
AECN 896V	Special Topics: Community Leadership
AECN 896W	Policy & Politics: Costal Area
AECN 896Y	Special Topics: Sustainable Communities
AECN 896Z	Special Topics: Econ Dev Strategies & Programs
AECN/ALEC 899	Masters Thesis
AGRI/ENTO 826	Scientific Illustration
AGRI/AGRO/HORT 897	Masters: Agriculture Project
AGRO 811	Crop Genetic Engineering
AGRO 812/BIOC 812	Crop and Weed Genetics
AGRO/HORT/TLMT 813	Turfgrass and Landscape Weed Management
814	Turfgrass Disease
AGRO/HORT 824	Plant Nutrition: Nutrient Management
AGRO 437/837	Animal, Food, and Industrial Uses of Grain
AGRO 438/838	Production of Specialty Grain Crops
AGRO/HORT/TLMT 880	Modified Rootzones
AGRO/HORT 896	Independent Study
l 	•

AGRO 896	Independent Study: Crop Genetics
AGRO 896	Independent Study: Teaching Biotechnology
AGRO/ENTO 815A	Self-Pollinated Crop Breeding
AGRO/ENTO 815B	Germplasm and Genes for Plant Breeding
AGRO/ENTO 815D	Cross-Pollinated Crop Breeding
AGRO 818/ BIOC 818	Agricultural Biochemistry
AGRO 822	Integrated Weed Managment
AGRO 823	Herbicide Action in Plants
AGRO 830	Phytopathology Principles
AGRO 830A	Corn Diseases
AGRO 830B	Soybean Diseases
AGRO 830E	Diseases of Turf
AGRO 831	Independent Study: Spatial Variability in Soil
AGRO 837	Uses of Grain
AGRO 838	Producing Grain
AGRO 896	Independent Study
AGRO 896	Plant Organization and Crop Modeling
AGRO 896	Pest Resistance Managment
AGRO 896	Independent Study: Adv Plt Brd Topics
AGRO 896	Independent Study: Forage Quality
AGRO 896	Independent Study: Forage Quality & Evaluation
AGRO 896	Independent Study: Teaching Plant Science
AGRO/HORT 896	Tech: Pesticide Application
AGRO/HORT 896B	Turf and Landscape Weed Management
ALEC 800	Program Planning Overview
ALEC 807	Supervisory Leadership
ALEC 814	Classic Figures in Leadership
ALEC 801	Theoretical Foundations of Leadership
ALEC 804	Problems of Beginning Agriscience Teachers
ALEC 805	Advanced Teaching Strategies
ALEC 806	Introduction to Distance Education
ALEC 810/NRES 813	Environmental Leadership
ALEC 816	Management Strategies in Distance Education Environments
ALEC 826	Program Evaluation
ALEC 877	Leadership and Motivation
ALEC 890	Workshop Seminar: Intro to Futures Studies
ALEC 890	Program Planning Overview
ALEC 890	The Pearl of Africa: Uganda
ALEC 890	Technology & Leadership
ALEC 893	Technical Ag Workshop
ALEC 896	Independent Study: Leadership
ALEC 896A	Independent Study: Leadership, Research in Agri Educ

ENTO/NRES 802, BIOS 885 Aquatic Insects ENTO 803 Independent Study: Management Horticultural Crop Insects ENTO 807 Urban and Industrial Entomology ENTO 810 Insects as Educational Tools for the Classroom ENTO 812 Entomology and Pest Mangement ENTO/FORS 814 Forensic Entolomogy ENTO 815 Medical Entomology ENTO 896 Independent Study: Plant Resistance to Abiotic & Biotic Stressors ENTO/FORS 896 Independent Study: DNA Custody ENTO 896B Independent Study: Entomology and Pest Management ENTO 896D Independent Study: Host Plant Resistance ENTO 896J (B in F05) Independent Study: Insect Physiology ENTO 818 Insect ID & Natural History ENTO 820 Insect Behavior ENTO 896 Independent Study ENTO 896 Independent Study: Insect Evolution ENTO 896 Independent Study: Insect Evolution ENTO 896 Independent Study: Invasive Pests & International Trade ENTO 896 Independent Study: Forensic Sci&Criminal Inv ENTO 896 Independent Study: Forensic Sci&Criminal Inv ENTO 896 Independent Study: Pest Resistance Management ENTO 896 Independent Study: Pest Resistance Management ENTO 896 Independent Study: Presentation Methods	ALEC 896B	Independent Study: Leadership, Hist & Lrshp: Land Grant U
ALEC 896K Independent Study: Leadership, Risk & Crisis Communication ALEC 896L Independent Study: Leadership, Presentation & Sales Strategies ALEC 996 Theoretical Foundations of Distance Education ALEC 995 Doctoral Seminar ALEC 995 Doctoral Seminar ALEC 996 Research other than Thesis ALEC 996 Independent Study: Management Horticultural Crop Insects and Independent Study: Management Horticultural Crop Insects and Independent Study: Insect December 1967 Research	ALEC 896E	Independent Study: Leadership, Technology Transfer
ALEC 896L Independent Study: Leadership, Presentation & Sales Strategies ALEC 906 Theoretical Foundations of Distance Education ALEC 995 Doctoral Seminar ALEC 995 Doctoral Seminar in Leadership Studies ALEC 996 Research other than Thesis ALEC 996 Research in Leadership Education ASCI 896 Research in Leadership Education ASCI 896 Independent Study: Forage Quality ASCI 896 Independent Study: Enviro Mngt of Livestock BIOC/AGRO 818 Agricultural Biochemistry FNTO/NRFS 802, BIOS 885 Aquatic Insects ENTO 803 Independent Study: Management Horticultural Crop Insects ENTO 803 Independent Study: Management Horticultural Crop Insects ENTO 807 Urban and Industrial Entomology ENTO 810 Insect Ecology ENTO 810 Insect Ecology ENTO 812 Entomology and Pest Mangement ENTO/FORS 814 Forensic Entolomogy ENTO 815 Medical Entomology ENTO 896 Independent Study: Plant Resistance to Abiotic & Biotic Stressors ENTO/FORS 896 Independent Study: DNA Custody ENTO 896B Independent Study: Host Plant Resistance ENTO 896B Independent Study: Host Plant Resistance ENTO 896 Independent Study: Host Plant Resistance ENTO 896 Independent Study: Insect Physiology ENTO 819 Insect ID & Natural History ENTO 819 Insect ID & Insect Bohavior ENTO 819 Insect Double Insect Bohavior ENTO 896 Independent Study: Insect Physiology ENTO 896 Independent Study: Insect Evolution ENTO 896 Independent Study: Forensic Evis Criminal Inv ENTO 896 Independent Study: Forensic Exis Criminal Inv ENTO 896 Independent Study: Forensic DNA Analysis ENTO 896 Independent Study: Pest Resistance Management ENTO 896 Independent Study: Pest Resistance Management ENTO 896 Independent St	ALEC 896J	Independent Study: Leadership, Foundations of Agri Education
